PRIME TRUCK WASH

5

PRIME TRUCK WASH

Prime Truck Wash is a biodegradable heavy-duty detergent with a neutral pH that is highly effective in removing dirt, mud, road grime, oil and exhaust soot.

Prime Truck Wash can be safely used to clean paintwork, chrome, rubber, windscreens, fibreglass, aluminium, tarpaulins, vinyl and most washable surfaces. Prime Truck Wash will not fade painted surfaces, and its free-rinsing characteristics will not cause streaking.

WARRANTY

Alliance Truck Parts are backed by a 1-year/unlimited kilometre standard warranty.

ALLIANCE PART #	DESCRIPTION
QABP TWB20	Prime Truck Wash

Illustrations and photographs used in this catalogue may vary slightly from the actual product. Prototype samples are sometimes used for photography. The production parts may vary slightly.

Availability of products shown in this catalogue is subject to change without notice.

PRODUCT FEATURES

- Heavy-Duty detergent
- Biodegradable
- pH Neutral
- Non-Streak formula
- Safe for use on most surfaces

MANUAL WASHING (SPONGE OR BROOM)

1. For best results, apply truck wash to cool surfaces in the shade.
2. Hose the truck or bus with water before cleaning.
3. Dilute truck wash with 80 parts of water (i.e. use 125mL of truck wash to a 10L bucket of water) and mix until dissolved.
4. Sponge or broom the solution over the surface to be cleaned, working the solution to remove soil and grime. If required, loosen heavy deposits with a soft bristled broom.
5. Leave for up to 5 minutes out of direct sunlight, then hose off with water and allow to dry or chamois dry.

Note: To avoid streaks, do not allow truck wash to dry on the surface.

HIGH PRESSURE CLEANING

1. For best results, apply truck wash to cool surfaces in the shade.
2. Hose the truck or bus with water before cleaning.
3. Dilute truck wash with 15 parts of water (i.e. use about 700mL of truck wash to a 10L bucket of water) and mix until dissolved.
4. Spray or foam the diluted product over the surface through the high pressure cleaner.
5. Leave for up to 5 minutes out of direct sunlight, then hose off with water and allow to dry or chamois dry.

Note: To avoid streaks, do not allow truck wash to dry on the surface.

FIRST AID

If swallowed do NOT induce vomiting.
